KnoWhereAI

About Us

KnoWhereAI Strategies LLC is a mission-driven consulting firm providing expertise to public and private sector organizations in complex geopolitical, defense, and commercial environments. Positioned at the intersection of strategy, data, and technology, we deliver end-to-end solutions from strategic insight to operational execution. Our veteran-led team of analysts, engineers, and consultants specializes in defense analysis, data collection engineering, software development, advanced analytics, and AI integration to help clients adapt to dynamic mission requirements.
